A Hanko is a personal seal that carries a sense of who we are, where we come from, and the mark we choose to leave.

Each cocktail in this menu is paired with its own Hanko and artwork, hand drawn to represent the story, emotion, and inspiration behind the drink.

NON-ALCOHOLIC

This menu draws inspiration from the Hanko, a traditional Japanese seal that signifies a personal mark. Each cocktail carries its own Hanko, reflecting the unique story behind the drink and the shared identity of MOGĀ.

Crafted with a diverse blend of flavours and styles, my hope is that every guest can find something that speaks to their own taste and craft a memorable moment.

Just as a Hanko leaves a lasting seal, we hope to leave our own mark — not only through our cocktails, but through the warmth and hospitality we share with you. May this menu bring you joy, spark curiosity, and create lasting memories.

Thank you for being a part of our story.
